

## DRC Series Overview

The environmentally sealed DEUTSCH DRC series is a rectangular connector series that offers insert arrangements of 24, 40, 50, 60, 64, 70, and 76 cavities and accepts size 12, 16, and 20 contacts. Several mounting options are available including in-line, flange mount, and PCB mount.

## PART NUMBERING SYSTEM

## DRC CONNECTOR PART NUMBERS

Here are some of the common part numbers in the DRC series. Several additional connectors may be available.

Position	Key	Plug	Receptacle In-line	Receptacle Flange	Receptacle PCB
24 (sz. 20)	A	DRC26-24SA	-	-	DRC23-24PA (90°)
	B	DRC26-24SB	-	-	DRC23-24PB (90°)
	C	DRC26-24SC	-	-	DRC23-24PC (90°)
	D	DRC26-24SD	-	-	DRC23-24PD (90°)
24 (sz. 16)	A	DRC16-24SA	DRC14-24PA	DRC12-24PA	DRC10-24PA (180°)
					DRC13-24PA (90°)
	B	DRC16-24SB	DRC14-24PB	DRC12-24PB	DRC10-24PB (180°)
					DRC13-24PB (90°)
	C	DRC16-24SC	DRC14-24PC	DRC12-24PC	DRC10-24PC (180°)
					DRC13-24PC (90°)
	D	DRC16-24SD	DRC14-24PD	DRC12-24PD	DRC10-24PD (180°)
					DRC13-24PD (90°)
38 (sz. 20)	01	DRC26-38S01-P017	-	-	DRC20-76P0102 (180°)
	02	DRC26-38S02-P017	-	-	

## UK Authorised TE Connectivity DEUTSCH Connector Distributor

Dalroad supply a wide range of automotive connectors for use on applications from engines to braking systems, providing a firm, secure cable-to-cable connection.
